

UNBLOCK WESTFIELD

Unlock CROYDON'S POTENTIAL

Under the Conservatives, Westfield and Hammerson announced a landmark deal to invest £1.5 billion to redevelop the Whitgift Centre. The deal would have created 5,000 jobs. It was due to open in 2018.

But now under Labour, the plans have been reviewed.

As your Prospective MP, I have met with Westfield/Hammerson and they have told me that the uncertainty caused by Parliament being unable to make a decision on Brexit has been a key reason for the delay in delivering Westfield.

By blocking Brexit our Labour MP has helped ^{Westfield} create the uncertainty that risked local jobs.

If elected as your MP on 12th December, I will help deliver Westfield by getting Brexit done.

That will give the stability Westfield needs to finally come to Croydon.

We cannot risk years of uncertainty under Jeremy Corbyn and another divisive referendum. Croydon matters too much to me for us to allow that to happen.

Mario Creatura
Prospective MP for Croydon Central

MARIO CREATURA

CROYDON IS IN MARIO'S DNA. HERE'S HOW HE WOULD
Unlock CROYDON'S POTENTIAL

my plan

1 Tackling crime in Croydon

Having lived in Croydon my whole life, I know how important it is that the Conservatives are recruiting an extra 20,000 police officers and building more prisons. I will campaign to ensure Croydon gets its fair share of the new resources - so we can keep our streets safe.

2 Investing in our NHS

I was born in Mayday Hospital and worked with Croydon Central's previous Conservative MP to secure a new £21m A&E department and a £13m upgrade to its intensive care units. I will push for greater investment in our precious NHS.

3

Helping families with the cost of living

By working on a local plan to rejuvenate our district centres and to unblock the delayed Westfield Scheme, as well as supporting the Conservative's income tax cuts, I'll help grow our economy and reduce the cost of living.

4

Attracting local investment

As a commuter, I know how important it is that we invest in East Croydon and Norwood Junction stations. Our district centres need greater support. I'll call for a local plan to rejuvenate our district centres, as well as prioritising unblocking delays to the Westfield scheme.

5

Delivering Brexit

We should leave the EU to fulfil the democratic instruction of the British people. I back Boris Johnson's new Brexit Deal which takes back control of our laws, money and borders.

From CROYDON. *For* CROYDON.
